The "Solid South" ---and Vermont

Map showing the Ratification Rush on the Federal Suffrage Amendment. The 35 White States have ratified.

Without digging old skeletons out of the closet, suffice it to say that Vermonters have not in the past thought or acted with the "Solid South" on questions of human equality.

Yet, of the great northern and western states, Vermont now stands almost alone in company with the states of the South—as not yet having ratified the 19th (Woman Suffrage) Amendment.

Vermonters were "strong" for giving the negro man the right to vote.

Vermonters need only the OPPORTUNITY to show that they are just as "strong" for giving WHITE WOMEN the right to vote.

A Special Session of the Vermont Legislature—NOW—will make Vermont heard throughout the Nation—as the 36th state to ratify the 19th Amendment.

Woman Suffrage will then be a fact.
